*"I feel sorry for people who don't drink. When they wake up in the morning, that's as good as they're going to feel all day."*
*— Frank Sinatra*

# BEER TRIVIA

- According to a diary entry from a passenger on the Mayflower, the pilgrims made their landing at Plymouth Rock, rather than continue to their destination in Virginia, due to lack of beer.
- The word "bridal" comes from 19th century Englishmen, who took out their mates for a final "Bride Ale" the day before their wedding.
- Monks brewing beer in the Middle Ages were allowed to drink five quarts of beer a day.
- Centuries ago in England, pub visitors used a novel innovation that enabled them to get their beer served quickly. They used mugs with a whistle baked into the rim, the whistle being used to summon the barmaid. It has been suggested this practice gave birth to the phrase "wet your whistle."
- Beer is the third most popular beverage in the world, coming in behind tea and water.
- The oldest known written recipe is for beer.

*"If you ever reach total enlightenment while drinking beer, I bet it makes beer shoot out your nose."*
*— Jack Handy*

# BEER CATEGORIES

All styles of beer fall into either one of two categories: ales or lagers.

## ALES

Ales are brewed with malted barley using a warm fermentation process, which allows the yeasts to ferment quickly imparting a sweet, full-bodied and fruity taste. Most contain hops, which impart a bitter herbal flavor that balances the sweetness of the malt.

## LAGERS

Lagers are brewed at lower temperatures and are typically easy drinking, light in body and mild in taste. They typically have a clean flavor and crisp finish.

***"Beer, it's the best damn drink in the world."***
***— Jack Nicholson***

***"Always do sober what you said you'd do drunk. That will teach you to keep your mouth shut."***
***— Ernest Hemingway***
